OBJECTIVE

Seeking a software development co-op/internship for Summer 2025, specializing in C# and C++ programming, 3D modeling, and game engine development.

EDUCATION AND AWARDS

Rochester Institute of Technology **Rochester, NY**
Bachelor of Science, Game Design and Development *Anticipated December 2026*

- GPA: 3.890
- Recipient of the RIT Trustee Scholarship (merit based)
- Fall 2024 Dean's List

Queensborough Community College **Bayside, NY**
Bachelor of Science, Liberal Arts and Sciences (Mathematics and Science) *August 2020-May 2022*

- GPA: 3.815

SKILLS

Technical Skills: Unity, Git, Visual Studio, Maya
Programming Languages: C#, C++
Operating Systems: Windows

PROJECTS

Touch the Grass (3D Environment Showcase)
Unity, Maya, C#

- Created a 3D environment with self-modeled assets and optimized textures.
- Selected by professor as a future class example for 3D modeling/Unity workflows.
- Implemented post-processing effects and dynamic lighting for a horror atmosphere.
- Added interactive sound design to enhance immersion.

THEO (2D Game)
Unity, C#

- Designed and developed a 2D action-adventure showcase featuring fully self-made assets and artwork.
- Implemented a main menu with interactive UI, including a controls panel, game start, and quit options.
- Created a pre-game cinematic video serving as both a trailer and character backstory.
- Developed elemental combat mechanics where the main character, Theo, switches between fire, water, and grass spirits to attack enemies.

Top-Down Shooter (SHMUP)
Unity, C#

- Developed a 2D shoot-'em-up game featuring player movement and projectile-based combat.
- Implemented collision detection and screen wrapping mechanics to enhance gameplay.
- Designed a scoring system and health mechanics to track player progress.

EXPERIENCE

Compulsory Service in Korean Army **Paju, Gyeonggi-do, Korea**
Infantry *September 2022-March 2024*

- Developed strong critical thinking and problem-solving skills under high-pressure situations.
- Received Company Commander Commendation for exemplary service and leadership.

7-Eleven **Seoul, Korea**
Cashier *April 2024-July 2024*

- Performed a variety of customer focused retail duties according to supervisor's instructions

- Assisted customers with technical questions and perform technical work, including data transfers
- Collaborated with team members to ensure efficient store operations.
